RE: Final report of Building Renovation Committee

Today, August 20, 2008, the building renovation is complete. R. C. Matthews, Co., Inc. has been paid the final retainage and have turned over all waivers of liens and other paperwork necessary, and copies have been turned over to Wachovia bank. The bank has converted the construction loan to a permanent loan.

A recap of the project is:
Total amount of project \$4.6 million.
Total amount of Wachovia loan \$2.8 million.
Interest rate of loan 5.78%

All that is left is for the committee to organize the records and place all documents, letters, emails, as built drawings, etc in the archives of the Grand Lodge for future reference.

It has been a pleasure serving the Brethren of the Grand Lodge during the course of this project and we feel that we all now have a magnificent building that is the pride of Tennessee Masonry.
